BLUENOSE BONSPIEL

March 26th-29th, 2026 | Mayflower Curling Club | Halifax, Nova Scotia

Welcome!

Welcome to the 13th Annual Bluenose Bonspiel!

What a moment for this event. Forty-eight teams with players from coast to coast have gathered in Halifax for our biggest and most vibrant bonspiel yet—and for the very first time, we're hosting it in the brand-new Mayflower Curling Club. It's a milestone worth celebrating, and yes... we're throwing the ultimate housewarming party!

We're excited to welcome our local curlers and extend a warm East Coast greeting to all those who've traveled to be here. Halifax is ready to shine this weekend, bringing together the tradition of the sport with the unmistakable energy of an East Coast Kitchen Party.

Beyond the competition, you'll find lively music, great social events, and the unmistakable character that makes this city such a memorable place to gather. To our volunteers—thank you. Your dedication and spirit are the foundation of this entire weekend.

We're thrilled to have you here in Nova Scotia, Canada's Ocean Playground, for an event that promises connection, celebration, and a whole lot of fun. Wishing you an incredible weekend and a fantastic bonspiel.

Sincerely,
The 2026 Organizing Committee

March 26th-29th, 2026 | Mayflower Curling Club | Halifax, Nova Scotia

Bluenose Bonspiel Rules

- Unless otherwise noted, the Canadian Curling Association (CCA) Rules of Curling for General Play will apply.
- All round-robin games are 2 hours in length and up to 8 ends may be played in this time. Bell rings 10 minutes prior to end of round-robin games. Finish the current end. Ties are permitted (and not to be broken) in round-robin games.
- All playoff games are 2 hours and 30 minutes in length and up to 8 ends may be played. Playoff ties will be broken with regular extra ends until a winner is declared.
- The Free Guard Rule will be enforced for the first five rocks.
- The “No Tick Shot” rule will be enforced.
- Teams are comprised of 4 (four) players; however, a team can play with 3 (three) players. A default will occur if any team cannot fill the minimum requirement of players by 15 minutes after the official start time.
- The winner of the coin toss shall have their choice of last rock or handle colour for all round-robin and play-off games.
- Spares are permitted in round-robin and playoff games, however, spares for playoff games must play front-end.
- All brush heads will be permissible for playing during the Bluenose Bonspiel, with the exception of hair brooms.
- It is customary for the winning team members to buy the first round of drinks for the losing team. Teams sit together and socialize after games.
- Sheet assignments are subject to change at the discretion of the bonspiel committee or Draw Master to expedite play.

Defaults

In the event of a default during the tournament, the offending team will receive a loss; and the non-offending team will receive a win. During round-robin play the non-offending team will receive 10 points for a win, plus an additional 5 points as compensation for not being able to earn points for ends won and points scored for a total of 15 points.

HOGGED ROCK VIOLATION PIGGY BANK

Any player who fails to deliver a rock past the far hog line must pay \$2 into the **Hogged Rock Piggy Bank**. They will receive a piggy pin (plus one for each repeat violation) and a 50/50 ticket. After Round Robin Play, one ticket will be drawn, and the winner gets 50% of the piggy bank!

Bluenose Bonspiel Ranking

- Points are awarded after each round-robin game with regards to win/loss, ends won and score earned:
 - Win = 10pts, Tie = 5pts, Loss = 0pts
 - 1 point awarded for each end won during the game
 - 0.25 points awarded for every point scored during the game (max. 3 points)
 - The maximum amount of points a team can earn in a single round-robin game is 21.
- In the case a game does not go a full 8 ends and a team concedes, 1.25 points for each unplayed end will be awarded to the winning team (1 point for "end won" and .25 point for a point scored). Points will not be awarded for ends not played if teams cannot complete 8 ends in their 2 hours of play.
- After all teams have played their three round-robin games, the winner of each of the 12 (twelve) pools will advance to the A Division. These 12 teams will be ranked according to their total points.
 - All remaining teams will be ranked by their overall points and will be placed in one of the remaining divisions: teams 13-20 in C Division, teams 21-28 in D Division, teams 29-36 in E Division, teams 37-44 in F Division, and teams 45-48 in the Toilet Bowl.
- All games in playoff rounds are win/loss. Winners continue, losers are out with the exception of games P5, P6, P7 and P8 - losers will drop to B Division.
